

NACEB

Nebraska Association of County Extension Boards

Message from NACEB President

I hope this newsletter finds each of you doing well. It's been an interesting spring with the usual Nebraska weather issues and a hectic planting season. However, it appears Nebraska may be fairing much better than other areas of the country.

With summer fast approaching, it's time to have our summer NACEB meeting and we are happy to invite each of you to attend. As you will see, this year's meeting is going to be held at the Panhandle Research and Extension Center in Scottsbluff. I encourage each of you to attend and take the opportunity to catch up on NACEB activities as well as to tour and learn about the Panhandle facility.

As all of you are aware, budget time in our state, our counties, and our communities is always a challenge. This year has been no different. This year, the University and Extension fared well. It is important that we continue to keep up the effort and advocate for Extension. I look forward to seeing each of you.

Thank you,
Todd Gerdes
NACEB President
