

Nebraska Association of County Extension Boards

Message from NACEB President

We enjoyed a great summer meeting at the Nebraska College of Technical Agriculture at Curtis. Dean Weldon Sleight gave a history of the school and spoke about several of the programs including an entrepreneurial program to keep young people from exiting the state. We also enjoyed a tour of campus and lunch at the school cafeteria. Don Adams, West Central District Director spoke to the group about advocacy and program impact. Interim Dean, Alan Moeller discussed the importance of Extension giving individuals tools to solve problems. Wes Daberkow presented an idea for leadership development for extension board members and the group asked that the District Directors help with this effort. NACEB will be partnering with NCEA on a new website.

We hope to see you at the meeting in February where we will host our State Senators for lunch. It is a great time to be an advocate for Extension.

Thank you,
Linda Butcher
