

*Nebraska Association of County Extension Boards*

**Message from NACEB President**

I find myself busy with my Senior and College Daughters activities, Speech contests, post prom, sorority fund raiser and preparations for an upcoming graduation. It's pretty evident that my kids are a main focus of my life.

As NACEB Directors, County Extension Board members and UNL Educators, the youth of our great State of Nebraska are a main focus as well. I'm continually amazed at the passion UNL Extension Educators, NACEB Directors, County Extension Board members and volunteers have for UNL Youth programs. But it doesn't stop there. That passion extends to Seniors Citizens and all others as well. Nebraskan's are getting a tremendous value from UNL Extension. The attendance at our annual meeting in Lincoln is an example of that passion. Thank you to everyone that had a part in making the annual meeting such a success.

To help us be better advocates and help us "Tell our Story" we are planning a summer NACEB meeting and educational opportunity at the UNL Northeast District, Haskell Agricultural Laboratory, in Concord. I would like to personally invite all NACEB directors, educators and county extension board members to Concord Nebraska. Every time I visit UNL research facilities, I come away with a renewed passion for UNL Extension's roll in putting the research results to use by Nebraskan's. See you in June.

Scotty Andreasen, NACEB President
