

Message from NACEB President

Hi Everyone,

NACEB is busy advocating for Nebraska Extension, and we plan to use our annual meeting with senators to forward that mission. Having the opportunity to meet with State Senators and talk about Extension issues and the impact it makes on our Nebraska counties and individual families is important. We appreciate your efforts to create relationships with elected officials. Before we meet, please do your homework. You can access legislative information (contact, committee assignments, and current bills) at: <http://nebraskalegislature.gov/>. You will see the links listed in our newsletter for you to access county impact reports, and listen to Dean Hibberd's NACEB Briefing. These tools will help you prepare your comments for senators: it only takes a couple of specific topics that are important to you and then share your personal stories. Our annual meeting is also when we recognize youth, volunteers, business partners and support personnel with awards and hear from our NACEB scholarship recipients.

The 2016-2017 NACEB scholarship application is available online, at summer meeting, and in the December newsletter. Please take the time to inform potential candidates and encourage them to apply before March 15.

Extension is the primary way in which the University and its educational programs connect to out-state Nebraska. It is the way most Nebraskans experience the University of Nebraska for applied research, knowledge and innovative programming. NACEB is dedicated to promoting and advocating for Extension. It takes each of us to accomplish this task. I look forward to seeing all of you at the annual meeting!
Most sincerely,

Julie Jacobson

Message from our Advisor

Nebraska Extension continues to make significant strides toward addressing the newly identified big issues across the state as our Extension Professionals gear up to apply robust solutions. To coincide with this initiative is the role of NACEB members in sharing the emerging Issue Team and programming thrust with stakeholders, learners, and potential learners across the state.

I encourage our NACEB members to view the webinar briefing delivered by Dean Hibberd on 1/18/16. The webinar link is shown in the Dean's message below. This webinar, in part, portrays the big picture of Nebraska Extension and the direction we're going.

Your commitment and service to Nebraska Extension is greatly appreciated, and I hope to meet some of you during the NACEB meeting on February 8. Special thanks for being an advocate for Nebraska Extension.

NACEB Mission (to be approved at annual meeting)

NACEB supports the mission of Nebraska Extension.

HOSTING SENATORS

Senators received a formal invitation in December and will receive an email reminder in January from UNL Extension. Personal invitations by NACEB members are the key to success in getting Senators to attend, so please plan to follow up in January. Senators are asked to RSVP to Linda Tempel, UNL Extension so we can design seating charts for Senators and Board members.

For Program Impact Reports go to:

<http://extension.unl.edu/>

Click on “About/Impact” and then
“Impact on Nebraska”

County Impact Reports are now being collected and reviewed and will be shared by Extension prior to the Feb. 8 Annual Meeting. Hard copies will be provided to the Senators the day of the Annual Meeting. Several counties share Senators so Unit Leaders will be communicating with you and each other about the details of the invitations and seating. Also attached to this newsletter is a spreadsheet listing the Senators, their contact information and a list of those Senators who have responded to our initial invitation.
