

Message from NACEB President

First, a hearty “THANK YOU” to every active county Extension board member across our state. Working in-stride with Extension personnel wherever we are, we contribute to better lives and better communities. What we do counts for every Nebraskan.

The evidence is growing. Our Dean and Director, Chuck Hibberd, reported the following on June 24: “Nebraska Extension is ranked among the top five programs in the nation!” Chuck also enumerated both challenges and opportunities as we move forward. Going forward, Chuck commends NACEB for strong advocacy with policy-makers on all levels, and encourages continued promotion of Extension impact.

Both June 23 and 24 saw us in the Ord area for our Summer 2017 NACEB gathering. The Central IV Extension Board (Valley, Greeley, Sherman and Howard Counties) hosted this event. Kayla Hinrichs, Unit Leader, worked closely with Cilinda Meyer-Scheideler, local board member and NACEB President-elect, effectively covering all the bases for success over two days. Of note, young entrepreneurs showed their creations during our lunch hours. Please watch our NACEB blog for more, including Vernon’s pictures and event minutes. Check out the brewery and popcorn tours.

Now the season for county fairs is underway. 4-H and FFA youth activities are important to the excitement. No matter where in our state, the dedication of local folks is evident when participating in county fairs. Let’s show encouragement by going to the fairs!

NACEB Webmaster Honored

Jenny Nixon, Unit Leader in Sioux County, has been a go-to person, diligently amending our former NACEB website when needed. Honored for that service during our summer meeting, we gifted her with a certificate and a copy of Alan Alda's recent book, “If I Understood You, Would I Have This Look on My Face?” **Jenny, thank you for helping us also say "Goodbye" to the former website.**
